FIRST FOR HUNTERS

COME TOGETHER

BE PART OF THE LEGACY. BE FIRST FOR HUNTERS.

The SCI Convention is more than the ultimate gathering of sportsmen and women, it's where the future of hunting is secured. When you attend and support SCI, you stand shoulder to shoulder with a global community dedicated to protecting our hunting heritage.

SCI's advocacy and conservation efforts depend on the passion and funding of hunters like you. By joining, supporting, and showing up in Nashville, you are ensuring that our traditions, our wildlife, and our way of life thrive for generations to come.
